**HIGHWAY PROGRAM SUMMARY
ILLINOIS DEPARTMENT OF TRANSPORTATION
DISTRICT 2, DIXON**

Overview

Highway District 2 encompasses 12 counties in northwestern Illinois and includes the cities of Rockford, Rock Island-Moline, Princeton, Geneseo, Rochelle, DeKalb, Dixon, Freeport, Spring Valley, Belvidere, Kewanee, Sandwich and Sterling-Rock Falls, plus many smaller communities which serve as satellites for the larger employment centers or as focal points of this farming area. The state highway system in District 2 consists of 2,074 miles of highways and 1,086 bridges, supporting 14.6 million vehicle miles of travel daily.

State Program

The program for state and local highways will average \$1.186 billion annually for the FY 2005-2011 period. Approximately \$519 million will be provided during FY 2005-2011 for improvements to state highways in District 2. The following table summarizes anticipated accomplishments on the state highway system in District 2 during this time frame.

FY 2005-2011 Accomplishments

Interstate Rehabilitation (miles)	3
Interstate Bridges (number)	26
Other Bridge Rehab/Replace (number)	52
Resurfacing/Widening (miles)	316
Major Highway Construction (miles)	8
Traffic/Safety Improvements (locations)	95

Major projects of interest that are tentatively scheduled during the FY 2005-2011 time frame include:

- **US 20 from Galena to Freeport.** The final Environmental Impact Statement (EIS) is being reviewed. Design approval will follow publication of the EIS. ISTEA in 1991 provided \$2 million in federal demonstration funds for this study. In addition, the FY 1992 federal appropriation bill provided \$2.1 million in other demonstration funds.
 - **US 20 from Illinois 84 (NW) to southeast of Galena (Galena Bypass).** Engineering for contract plans is anticipated to begin summer 2004. Land acquisition for the 6.5-mile bypass corridor is programmed during FY 2005-2011 at a cost of \$2 million. Of this total, land acquisition is programmed in FY 2005 at a cost of \$1 million. Additional engineering and construction are not currently funded.
 - **US 20 - Freeport Bypass.** Additional lanes for 6.1 miles and interchange reconstruction are programmed during FY 2006-2011 at a cost of \$12 million.
- **Illinois 2 from Madison Street in Oregon to Beltline Road south of Rockford.** Resurfacing, shoulder reconstruction and other related work on 20.1 miles are programmed during FY 2005-2011 at a cost of \$41.6 million. Of this total, land acquisition is programmed in FY 2005 at a cost of \$900,000.
- **Illinois 5 (Blackhawk Road) from 24th Street to 38th Street in Rock Island.** Construction of additional lanes for 1 mile and utility work are programmed during FY 2006-2011 at a cost of \$5.6 million.

- **Illinois 75 from US 20 northeast of Freeport to Illinois 70 south of Durand.** Engineering for contract plans is under way. Resurfacing, shoulder reconstruction, bridge replacement and intersection improvements on 16.8 miles are programmed during FY 2006-2011 at a cost of \$26.9 million.
- **Illinois 78 from Stockton to the north corporate limits of Mt. Carroll.** Widening and resurfacing, shoulder work and other related work on 19 miles are programmed during FY 2006-2011 at a cost of \$15 million.
- **Illinois 173 at Interstate 90 (Northwest Tollway) in Loves Park.** Utility work and construction of a new interchange are programmed during FY 2006-2011 at a cost of \$16.2 million. This project requires local participation in the cost. TEA-21 provided more than \$5.6 million in High Priority Project funds for this work.
- **West Rock River Bridge (Milan Beltway Extension from Airport Road to 52nd Avenue Extension in Moline/Rock Island).** Construction of the new West Rock River Bridge is under way. Construction of additional lanes along the Milan Beltway from south of Airport Road to US 67 is anticipated to begin in summer 2004. Utility adjustment and new bridge along Airport Road from east of Interstate 280 to east of the Milan Beltway and a new interchange at the Milan Beltway are also anticipated to begin in summer 2004.
 - **Illinois 5/Blackhawk Road (52nd Avenue Extension in Moline/Rock Island).** The extension of 52nd Avenue to provide a connection to the new bridge is programmed in FY 2005 at a cost of \$12.5 million. This project will complete the connections to the West Rock River Bridge.
